Author Statements

We declare that the manuscript under the above title has not been previously published either in whole or in part, nor has it been submitted for publication elsewhere, and that all Figures are of my/our authorship. The numbers of Figures and their sources are listed on the back of this Declaration and the consent of their authors has been obtained before their inclusion in the manuscript.

We declare that there is no conflict of interest due to any linkages or financial liabilities whatsoever with entities having a financial participation in the subject matter of the study or the material studied, resulting from employment, consulting, or financial participation other than those mentioned directly in the manuscript or in a separate statement.

We declare that the document specifying the contribution of individual Authors in the creation of the manuscript was written and signed by all Co-authors before sending it to the Editor, and each of us has a copy of this document, which will be made available to the Editor on any request.

We hereby transfer to the Publisher, free of charge and on an exclusive basis, all the copyrights to the publication of this manuscript, as well as to the storage of all or part of this work on any currently existing recording media (such as CD, flash drives, magnetic tapes, diapositives, microfilm, etc).
